

Town of Wilton, NH Zoning Board of Adjustment

Thursday, October 31, 2019

Dear Sir or Madam,

Quinn Properties, LLC has applied for a variance to section 8.2.6 of the Wilton Zoning Ordinance to allow the construction of an asphalt batch plant and silo on Lot B-10, 50 Quinn Drive, which would be 68 and 72 feet in height respectively, where the ordinance limits structures to a maximum height of 45 feet.

This is a continuation of the hearing held on Wednesday, October 27, and is solely for the purpose of receiving testimony about observations from the sight-line test for the case. The Zoning Board deliberations and decision meeting will follow the hearing.

The Town of Wilton Zoning Board of Adjustment will consider this application in a public hearing in the cafeteria of the Wilton-Lyndeborough Cooperative High School on Tuesday, November 12, 2019 at 7:30 p.m.

The application, and any other documents that have been received by the ZBA in connection with this case, are available for inspection in the Land Use Office in the Wilton Town Hall, and may also be accessible at the Zoning Board web site at <www.wiltonzba.org/cases/2019070901>.

Sincerely,

Neil Faiman, Chairperson
Wilton ZBA

Case #7/9/19-1, continued from October 23
